Company Profile

Who We Are

ROSCAL Energy Services is an Angolan company focused on delivering technical training, workforce development and manpower solutions to the oil and gas and energy industries.

Based in Luanda, Angola, we aim to contribute to the development of a competent, safety-conscious and technically capable workforce. Our business combines industry-oriented training programmes with recruitment support and opportunities for collaboration with international technical training providers.

Our Mission

To provide accessible, industry-relevant technical training and workforce solutions that strengthen competence, improve operational performance and support the sustainable development of Angola's energy industry.

Our Vision

To become a recognised Angolan partner for technical competence development, workforce solutions and professional training within the oil and gas and energy sectors.

Our Core Values

• **Safety:** promoting safe working practices and responsible operational behaviour.

• **Competence:** supporting technical knowledge, practical skills and continuous professional development.

• **Integrity:** conducting business transparently, ethically and professionally.

• **Quality:** striving for consistent standards in our services and training programmes.

• **Collaboration:** building productive relationships with clients, trainers and industry partners.

• **People Development:** supporting professional growth and Angola's local workforce development.

Our Services

• ROSCAL Training Academy: technical competence for energy industry professionals.

• Corporate Training & Workforce Development.

• Technical Recruitment & Manpower Solutions.

• Partnerships with international training organisations.
